The background is white with various colorful elements. At the top, there are two large planets: a blue one on the left and a brown one on the right, both with rings. Scattered around are several stars in different colors (brown, blue, green, pink, orange) and circles (purple, blue, orange). At the bottom, there are large, overlapping, rounded shapes in shades of pink and purple. A blue pencil is positioned on the right side, pointing towards the center. A small green triangle is also visible on the right side.
