

# CURIOUS WORLD™

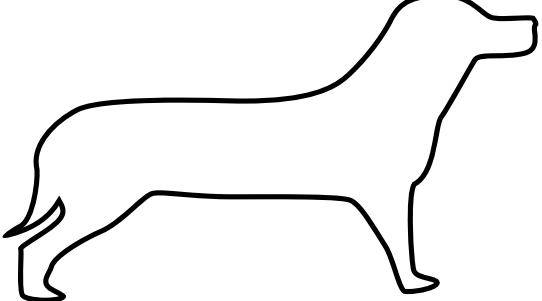

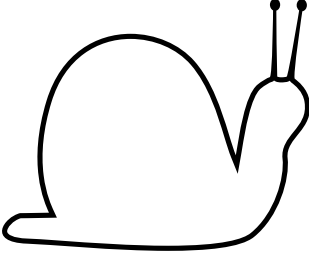

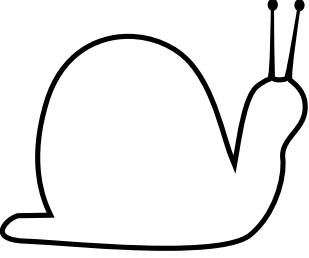

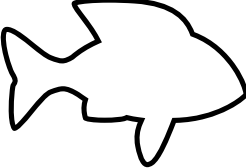

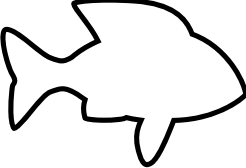

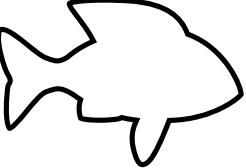

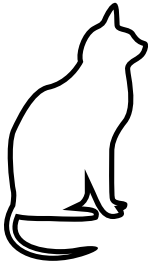

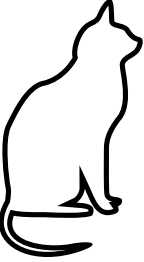

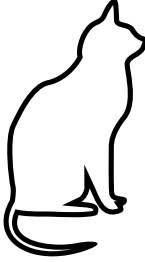

1-2-3

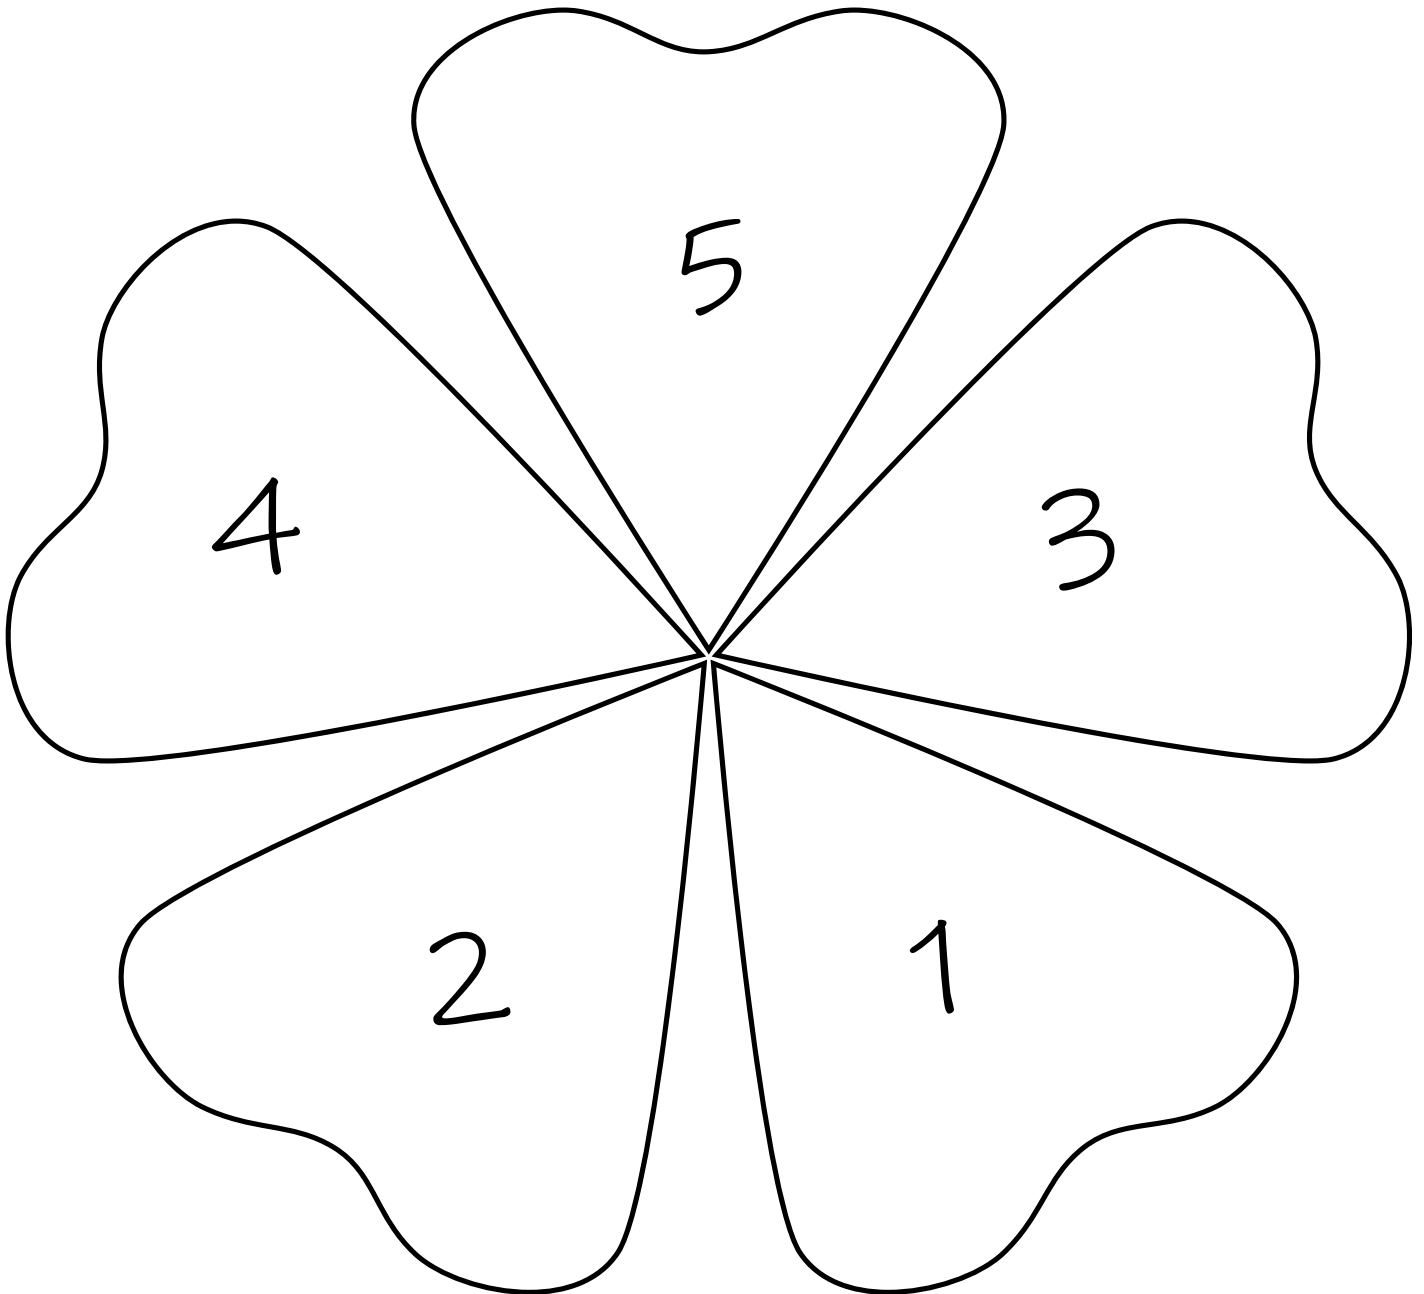

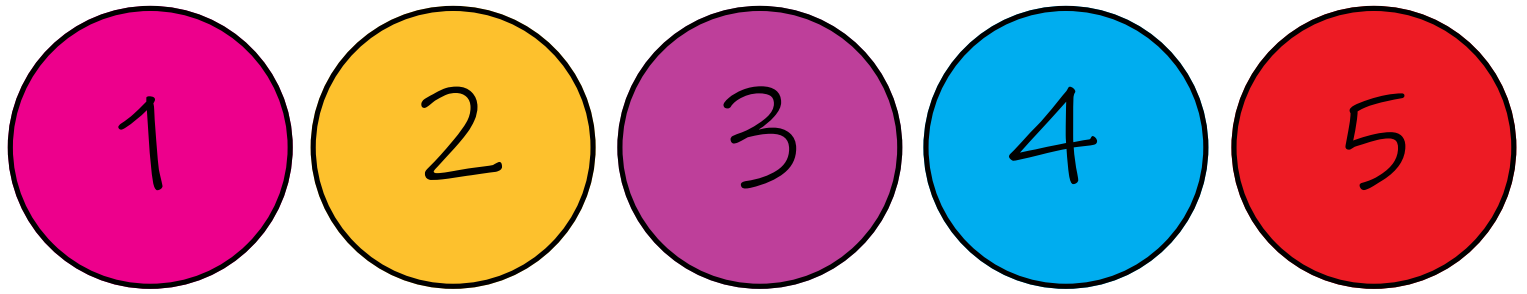

Count and color! Use the number on the left hand side to let you know how many icons need to be colored in on that row. Use all your favorite colors!

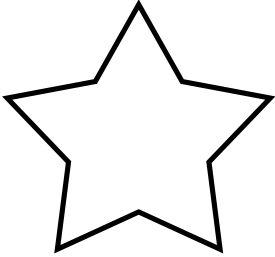

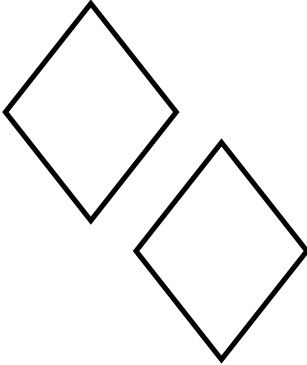

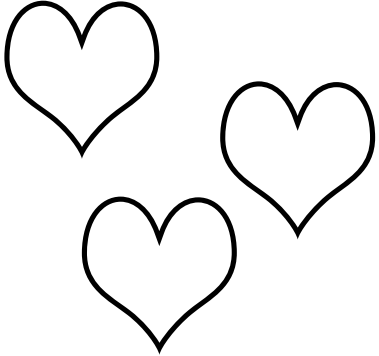

Practice your counting by tracing all the numbers below. When you have finished, color in all the animals!

1			
2			 
3			  
4			   
5			    

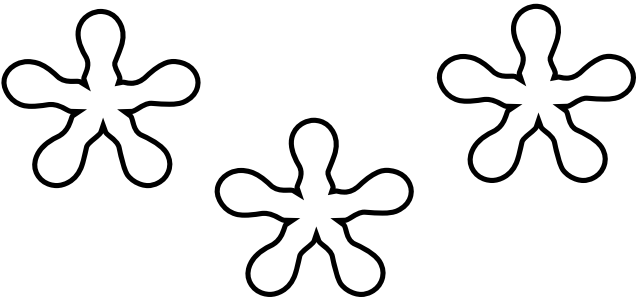

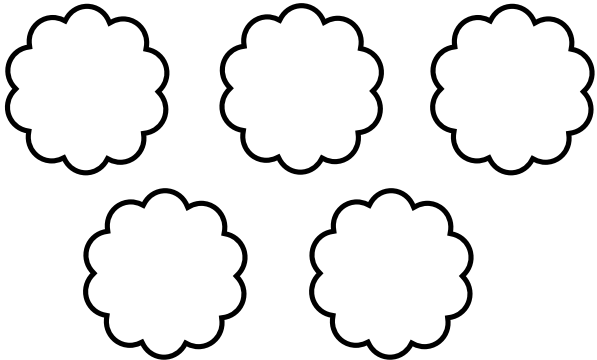

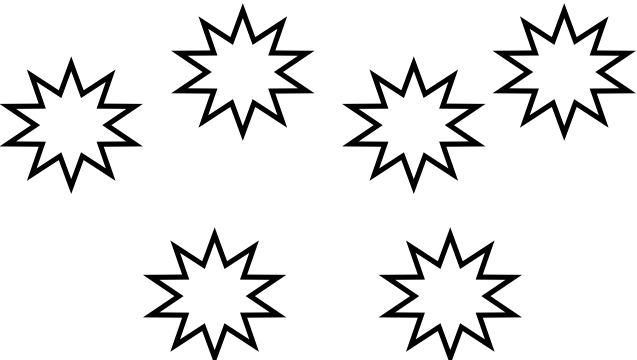

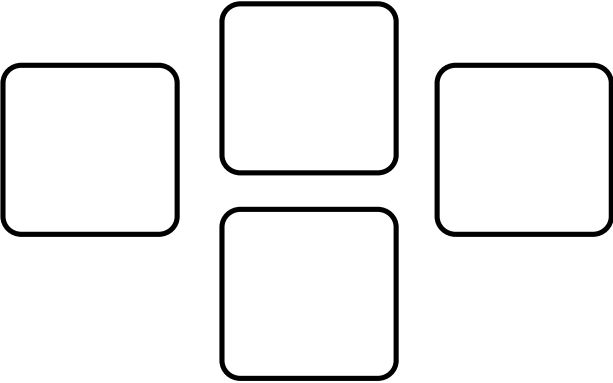

Make a colorful flower! Match the number in the colored circle to the the number on the petal, and use the same color to color it in.

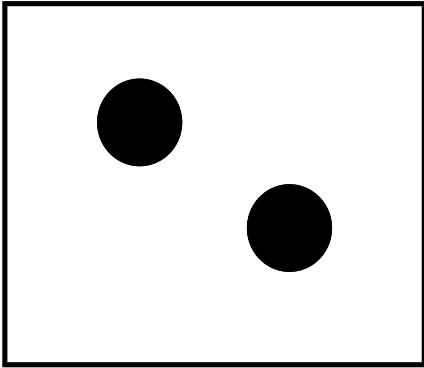

Can you count how many shapes are in each box? Then see if you can trace all the numbers below them. Good luck!

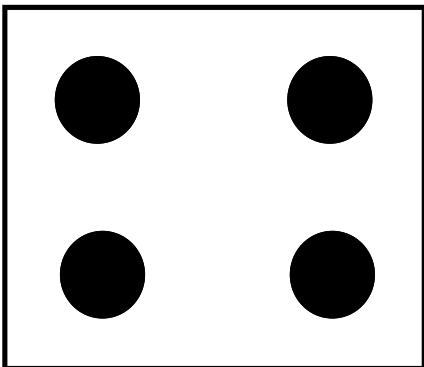

Count how many shapes are in each box and then color in the correct number. Good luck!

<div>1      6      3</div> <div></div>	<div>4      2      5</div> <div></div>
<div>7      3      6</div> <div></div>	<div>5      4      1</div> <div></div>

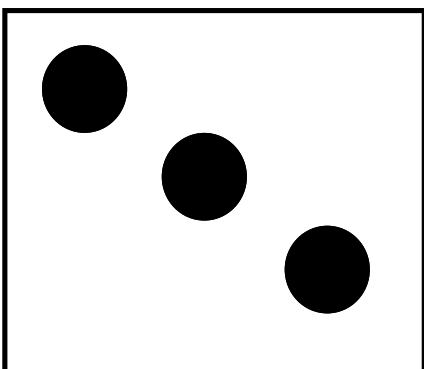

Count how many dots are in each square on the left and then draw a line to the correct number on the right. Good luck!

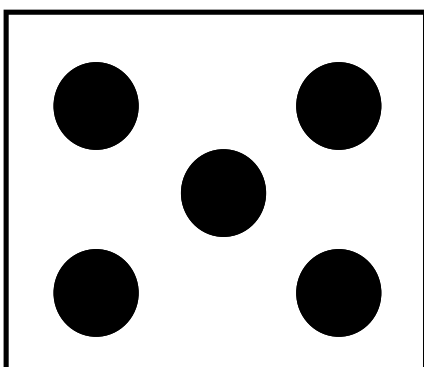

THREE

FIVE

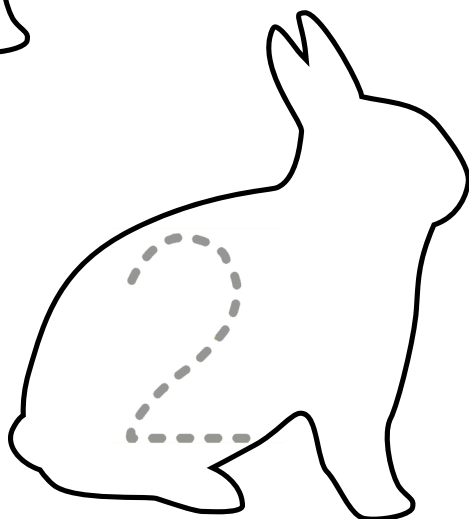

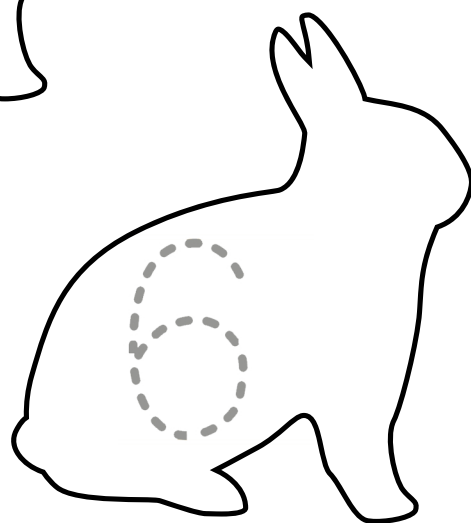

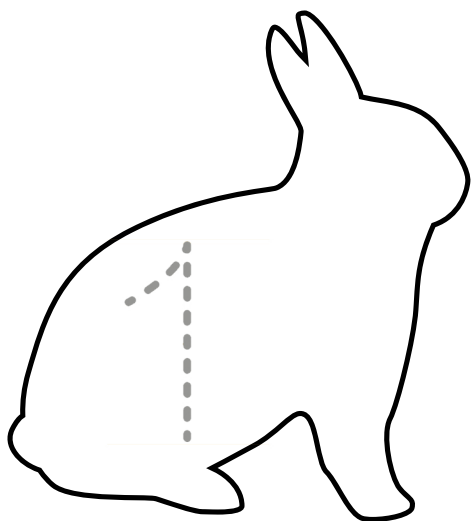

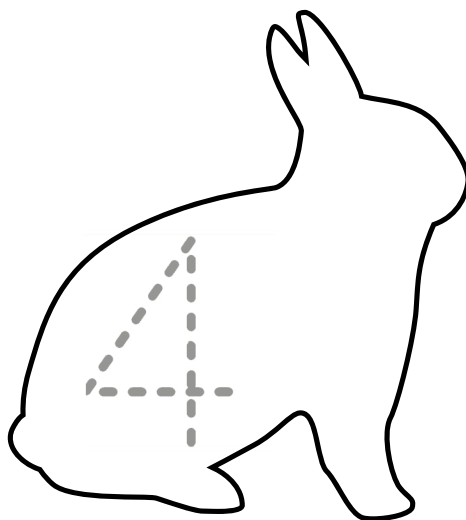

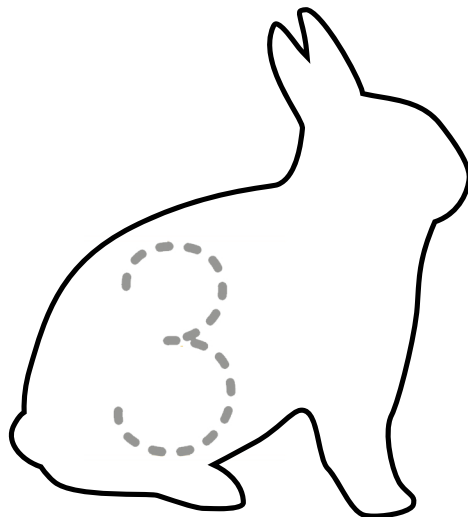

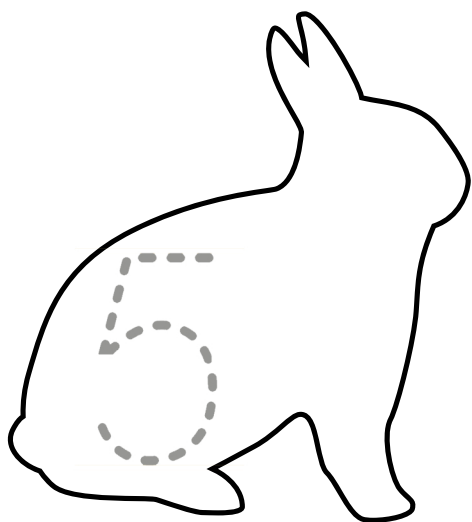

FOUR

TWO

There are lots of rabbits hopping on the page!  
Can you count how many there are? When  
you have done that, see if you can trace all the  
numbers too.
